**SECOND LETTER REQUESTING
CORRECTED NOTICE OF RECORDATION**

Director of the US Patent and Trademark Office
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

In response to the Notice of Disposition of Database Discrepancy dated April 19, 2007, Applicants note that although the USPTO states that a "review of the microfilm record located in the assignment search room indicates that the database reflects the data as originally presented for recordation", the Notice of Recordation is not correct with regard to the data originally presented for recordation. Specifically, the second inventor's name (Harri KUJALA) is not listed as Harris KUHALA anywhere on the documents presented by the Applicants for recordation. One (1) copy of all papers submitted to and received from the USPTO with regard to this matter are attached hereto.

Based upon the above, the USPTO is respectfully requested to correct the typographical error in the 2nd Assignor's name. Support for this correction can be found on the originally submitted Assignment and Recordation Form Cover Sheet. Please enter the present Letter into the file of the above-identified application and provide a Corrected Notice of Recordation incorporating the above correction.

Because the errors occurred on the part of the U.S. Patent and Trademark Office, no fees should be due.

If you have any questions regarding this request, please contact Erin Miller at 703-205-8000, Ext. 6031.

If necessary, the Commissioner is hereby authorized in this, concurrent, and further replies, to charge payment or credit any overpayment to Deposit Account No. 02-2448 for any additional fee required under 37 C.F.R. §§ 1.16 or 1.17; particularly, extension of time fees.
